Home Learning Medley 2016/17

Year group:3

Term:Summer1

Choose your home learning from the menu below:

The Peri-ometer suggests the difficulty or challenge the homework may offer.

You are expected to complete at least one task each week.

You should attempt at least one 'EXTRA HOT' task!

<u>5</u> House points	<p>Topic/Design Technology Research some traditional Greek food recipes. Design your own Greek menu using the different meals that you have found. Impress your teacher by making one of the recipes that you like the look of. Take a picture and explain how you made it.</p>	<p>Science Get a dinosaur fossil research sheet from your teacher and complete. You will need to use lots of research to find out the answers to the questions. The natural history museum website may help you. Impress your teacher by re-designing the worksheet into your own new poster.</p>	<p>Topic/RE Research the religious beliefs of the Greeks. Make a poster to show your findings. You must include information about the different Greek Gods, and explain what each one was known for? Draw pictures of each God or Goddess. Make sure your layout is clear and exciting.</p>
<u>3</u> House points	<p style="text-align: center;">R.E</p> <p>In R.E this term we are looking at Sikhism. Our key focus is on sharing. Draw a picture of a time that you shared something. Underneath can you write a short paragraph about this time. Write a sentence or two about why sharing is important to you or what it means to you.</p>	<p style="text-align: center;">Art</p> <p>Research into the different types of Greek pots and design your own Greek pot. Make sure you add careful detail and explain why you chose certain designs and patterns. Impress your teacher by writing a short paragraph about pottery used by the Greeks.</p>	<p style="text-align: center;">Topic</p> <p>In topic we are learning about the Greeks. Can you make a fact file page, poster or leaflet about the Greeks. Try to make your poster eye catching and exciting.</p>
<u>1</u> House points	<p style="text-align: center;">Art</p> <p>In Art we are looking at sculpture and the use of clay in pottery. Can you make a list of all the different things you could make using clay (for example: Plates, mugs, bowl...). How many can you find in your home? Please draw pictures of the items you list.</p>	<p style="text-align: center;">Science</p> <p>In science we are learning about rocks and soils. Can you take pictures or sketch some different rocks you can find. Now describe them. What makes them the same? What makes them different?</p>	<p style="text-align: center;">Topic</p> <p>In topic we are learning about the Greeks. Can you draw a picture of a Greek person and describe their appearance. (Hint: What they are wearing. What it is made from)</p>
Weekly Expectations	<p style="text-align: center;">Mathletics (Per week: KS1-10min, KS2-20min)</p> <ol style="list-style-type: none"> Activities set by the teacher Live Mathletics Times Tables Toons 	<p style="text-align: center;">Reading (Per day: KS1-10min, KS2-15min)</p> <ul style="list-style-type: none"> Read at least 5 times a week for at least 15 minutes Fill in and sign their 'Reading Record' 	<p style="text-align: center;">Spelling</p> <ul style="list-style-type: none"> Practise spellings (Stuck in Reading Record books) Ways to learn: Write words in sentences, Look cover write, dot and dash, hangman
