Do-it-yourself
Fancy Dress,
superhero style!

1. Choose a pair of brightly coloured shorts to wear over leggings for the traditional superhero look.
2. Draw and paint or colour in your personalised super symbol - this could be absolutely anything from your initials to something that reflects your superhero identity.
3. Pin the paper or card shield to the front or back of a plain t-shirt. Use silver foil or stick glitter around the edges to make it stand out.
4. Make a superhero eye mask with a pair of tights, a piece of fabric or card. Customise with glitter or sequins for a sparkly look or other embellishments to suit your superhero identity.
5. Make a cape using an old sheet, bin liner or colourful beach towel. Cut into a wonky hourglass shape and add tape or string to tie it around your neck, or sew it onto your t-shirt.
6. Attach your paper or card super symbol to a headband or piece of fabric to tie around your head.
7. Create a utility belt with a fabric belt and tape. Attach some of your super utensils to it and spray with metallic paint to make them look extra super.
8. Put on colourful knee-high socks (e.g. sports socks) or cut up a pair of tights to accompany the pants over leggings look.
9. Wear a pair of wellies or wrap coloured duct tape around your shoes for the super cool look.

There are still an awful lot of people arriving at school at 8.50 or after. This is too late! We all need to be here by 8.45 in order for the children to be able to walk through the door at 8.50. The late book starts then!

Dear Mrs Murray,
 I have just returned from the school trip to Hever Castle with the year 2 children and I wanted to send a quick email to say what a lovely day I'd had. Not only was the organisation fantastic and the children's behaviour lovely, I was also very impressed with how much enthusiasm and knowledge they had on their subject. All the children were so keen to take in the environment and it was so nice listening to them. Anyway I just wanted to thank you and your staff on a fantastic trip.

Fabulous KS1 visits. Thank you to the teachers and parents who helped make these such a success.

Fantastic Year 1 writing. In year one the children are allowed to write on the table for special writing sessions. This inspires them to do amazing work. These children were writing a witches potion:

crack the golden, shiny
 eggs and mix in the
 green sticky troll boogies.
 chop up a red slug
 but be careful that it
 dunzoon slip.
 Slies up a green siemee tad.

Christmas Lunch £2.25 – Let's get organised:

Friday 19th December, Deadline for ordering 5th Dec.

Put this slip in a named envelope with the exact money titled Christmas Lunch. This then goes in the black box outside the office and then straight to the kitchen (our office does not organise this). If your child is in KS1 and they already get a Universal Free School Meal, or they get a free school meal in KS2 then they automatically get a lunch.

I would like to order a Christmas lunch for:

Class:

I would like a meat option or I would like a vegetarian option (delete one)
