

FRIDAY 17TH JUNE 2016
THE MILL MESSENGER

Dear Mums, Dads and Carers,

We wanted to write to share the **positive Ofsted report** which we have sent home today.

Neil and I joined in September and have been waiting for OFSTED to ring ever since we arrived. They phoned on 24th May and then came on the 25th. Being an Academy, we are subject to the same inspection schedules and scrutiny as other schools so that parents can help to compare schools through their OFSTED rating.

Your children all go to a 'GOOD' school. We were 'good' in all areas and the report talks positively about the huge amount of effort and work that the staff here have put in so that we can provide care and education we think your children deserve.

We are proud and pleased that OFSTED noted our *'calm and purposeful environment where pupils concentrate on learning.'* And acknowledged that our staff *'provide a consistent model of courtesy and consideration which sets a positive tone.'*

OFSTED noted that *'Leaders [at all levels] are ambitious and determined that every pupil will succeed.'*

However the best quote from the report and one that encapsulates our Forever Proud motto is this:

*'The whole staff team strive together, to provide the **best** care and education for all the school's pupils.'*

Thank you for supporting us and the school in the journey since September – this report celebrates all that we have achieved as a school community – thank you.

Sports Week – We look forward to welcoming you all next week to your child's sports day. Details went out earlier this week accompanied with a sponsor form yesterday. If you feel you can get one or two sponsors for your child to run and skip next week, this would be very much appreciated by our 2 chosen charities.

Thank you – for sending your children in today in non-uniform and with a bottle. This will be used on our Summer Fair on **July 15th** and we look forward to welcoming you on the day.

We wish you a wonderful weekend as always and hope the weather turns better!

Kind regards,

Mr. Matt Lecuyer and Mr. Neil Small

EggCellent Award!

This week our EggCellent award goes to Mrs. Clare Maynard. Mrs. Maynard works with many children across the school through interventions and as a TA. Furthermore she is a vital cog in the wheel that supports our SEN (D) department with learning and administration. And if that wasn't enough, check out the wonderful borders and planters that line the entrance of the school – all her own hard work! Well done and thank you for your efforts.
