Friday 18th September 2015

Dear Mums, Dads and Carers,

We have had another wonderful week! I have been impressed with the learning behaviours and energies by the children at The Mill. It has been my pleasure this week to visit every class and see how well they learn with their teacher and teaching assistant. I have seen children writing SOS messages to Traction Man using noun phrases and adjectives, as well as Maths investigators and number wizards helping Caroline the Caterpillar solve real life problems!

Thank you to all the adults who came to share in the learning this week at our Open Wednesday. It is a wonderful opportunity for you to talk to your child about the learning and reinforce the partnership that school and home have. As of next week (23-09-15) we will be having Open Wednesdays on a regular rotation basis of week 1 Year 1 and 2 and then Week 2 (30-09-15) of Year 3,4,5,6. This is a slight change to the original splitting of year Groups.

I have really appreciated all of your efforts in ensuring the children are in school on time and being in the building by 8.55am. It really does help the children if they are settled and not missing the initial input to learning. Please also help us by continuing to drop your children off at the doors and not follow them into class as this can unsettle some of our younger children.

This week our Stars are below as always and we are proud of each and everyone of them. My Headteacher Award goes to **Branden Avery** for his incredible descriptive opening to a story about the Magic Door. He created fantastic tension and used amazing adjectives and adverbs. Well done! The Attendance Cup this week goes to 2 classes, take a bow **Van Gogh** and **Miro** classes. Keep it up! And finally my EggCellent Award this week goes to our very own **Mr Fenton** for demonstrating how his Year 6 class were able to use powerful directed speech in their Literacy work.
