

FRIDAY 28TH APRIL 2017

THE MILL MESSENGER

Dear Mums, Dads and Carers,

Celebration assembly this week was a long one - and a pleasure it was! We celebrated, Stars of the Week, Attendance, House Points, EggCellent Award, Pen Licenses, Accelerated Readers and Numeracy Ninjas (see below!). On top of this we were inspired by 10 children who won the poetry writing completion to have their work published. Out of 35,000 entries, this is an incredible achievement, the children will be showcasing their poems next week throughout various assemblies. I will write next week with further details and examples of the poems.

Last term, we launched Numeracy Ninjas across the school. The aim of the initiative is to improve the children's confidence and fluency when working with numbers. As they progress they can earn different colour Ninja belts from White through to Gold for Grand Master status.

Each week, more and more children have been receiving the Black belt status in assemblies, with a handful receiving Grand Master status in year 6. Each term one child from every class will be selected to be the Ninj for 1 ½ hours with Sama Karate Organisation. During assembly today, they have been given their invite to attend on the 9th May.

All of our Numeracy Ninjas are chopping their way through their maths, making great progress - well done and keep up the good work everyone!

Whatever the weekend brings you, I hope you enjoy the Bank Holiday.

Warmest regards,

Mr. Matt Lecuyer,

Headteacher
