

*At The Mill Primary Academy we believe the success of your children depends upon a partnership between the school, children and parents. We ask you to read and sign the following agreement so we are all clear about our part in the partnership.*

Date: November 13

***The School will:***

- focus on ensuring that your child has the best start; by doing everything we can to make their learning is rich and exciting
- ensure that everything we do focuses on children's learning and that we will always work to improve and develop what we do so that your child gets the very best
- help your child to achieve their full potential
- provide a balanced creative curriculum at the right level for your child
- expect high standards of work and behaviour
- build good relationships that help children to develop both academically and socially.
- keep you informed about your child's progress and about general school matters
- be open and welcoming and offer opportunities for you to become involved in the life of the school
- care for your child's safety and happiness
- have high expectations for all behaviour in and around the school so that there is a good climate for learning
- help your child to be confident and happy in school and ensure that they know what to do if they are worried about anything

***I agree***

***Mrs Murray: Headteacher***

***As a family we try to:***

- talk about how important school is and encourage my child to do the best they can
- support the school's policies and guidelines for learning and behaviour. Talk to my child about how important good behaviour is so that they can focus on learning
- encourage my child to work hard—to do well you have to work hard and practise learning
- make sure my child comes to school each day and that they know how important good attendance is
- make sure my child comes to school on time
- let the school know when and why my child isn't in school on the morning of any absence
- help my child with any home work or take home tasks. Ensure that they have a quiet place to learn and do their homework in good time
- ensure that my child reads at home at least 3 times every week, daily is best; sometimes with an adult sometimes practising by themselves
- come to all Parents Evenings and take part in discussions about my child's progress
- take an interest in what is happening at school
- talk to the school about any concerns that I have

***Parent/Carer Date:***

***As the child – I will try to:***

- **Do my best every day.** I know that I have to work hard at my learning to get better and that I have a responsibility to listen, think, and work hard. I will only learn if I try hard.
- behave well and make good choices following the school rules
- I will concentrate on my learning and let others get on with their work
- listen to my teachers to help with my learning
- behave well on the playground being a good friend and being kind to others. If I see others being unkind I will talk to an adult about it; helping The Mill become a bully free zone.
- attend school regularly and on time
- take pride in my appearance by wearing our school uniform and wearing black school shoes
- try my best in my learning, at school and at home as well, by doing my homework
- be respectful, polite, kind and helpful to others and remember to say please and thank you
- take care of school equipment, our building and the school surroundings. Making sure I don't drop my lunch on the floor or litter the playground.
