# Year 5 - Term 4 - Homework Medley

Choose your homework from the menu below:

The Peri-ometer suggests the difficulty or challenge the homework may offer.

You are expected to complete at least one task each week.

You should attempt at least one 'EXTRA HOT' task!

<b>Research and Writing</b>	<b>Design / Music</b>	<b>Research and Maths</b>
Draw and label three new (imaginary) plants or animals that an explorer, of your choice, might have seen.	Imagine you're an explorer who has discovered a new land. Write a national anthem for your new country.	Create a map of an undiscovered land that an early explorer might have used. Include compass directions.
<b>Research</b>	<b>Art</b>	<b>Research and Writing</b>
Create a timeline showing when important discoveries were made by explorers.	Find and sketch pictures of plants and animals that would have been seen by an explorer of your choice.	Imagine you are organising a time travel BBQ! Explain which three explorers you would invite and why.
<b>Writing</b>	<b>Art and Design</b>	<b>Maths</b>
Choose one of the explorers from your list. Write a biography of them, giving details about their life and experiences as an explorer.	Make a 'message in a bottle' to be thrown overboard from an explorer's ship. Include information about where you are and what you have seen	Create a list of supplies for an explorer's ship, based on how long they will be away and how many crew are on board.
<b>Writing</b>	<b>Research / Maths</b>	<b>Research</b>
Make a list of explorers from your home country, or explorers who visited your home country.	Look through an atlas and write a list of the ten nearest geographical neighbours of your home country. Organise them in order of distance.	Sailors used to sing 'sea shanties' while they worked on board ship. Find three examples of sea shanty from the days of the explorers.

*Homework is set every Friday and is expected to be returned by the following Wednesday. Along with this Homework Medley you will be expected to practice and learn your weekly spellings and timetables and complete the maths tasks specific to that week's learning, set on Mathematics.*
