

## Farming— farm to table

### Topic Overview

This term we are looking at farming, where food comes from and how it grows/lives.

We will be exploring this further in science, English and history.

### How it teaches 'Community'

- The children will learn about foods from different communities and cultures.
- Visiting a local farm.

### How it teaches 'Identity'

- The children will have more of an understanding of food and help them to make food choices that make them happy.

### How it teaches 'Connections'

- To help build relationships with local businesses and adults.
- To listen about other cultures.

### Project Finale

To invite parents in to teach children to make different foods from their culture.

To make a healthy surprise meal for all the parents in the afternoon.

### Literacy links

- Talk for writing unit on farmer duck.
- Persuasion leaflet for tilgate nature centre.

### Numeracy links

- Measuring length, height and weight

### Other subject links

- Science— common animals, types of animals, structure of animals, how is food made?
- Geography— name, locate and identify 4 countries and capital cities including UK and surrounding sea.
- History—farming now and today
- Art—drawing and sketching food from the farm.
