

## Games: Traditional Games How can games support learning?

### Topic Overview

#### Traditional Games

This term we will be focusing on looking at traditional playground games. We learn them and then get ready to teach them to other students including another school. We will be holding a games morning for KS1 to take part in as well as teaching and playing games with parents. We hope you are as excited as we are!

### How it teaches 'Community'

- We will be going to teach a traditional game to Manor Green School which is local to our community.
- 

### How it teaches 'Identity'

- We will be exploring what makes a good team and what qualities are needed to be a leader within games

### How it teaches 'Connections'

- We will be connecting to the past - exploring traditional playground games
- Looking at games from across the world

### Project Finale

Create a games card that KS1 can use on the playground

They must:

Work in a group

Understand year 1 interests

Focus on teaching the game

Create game cards
