

Dear Mums, Dads and Carers,

Please have a read through our latest news and all the exciting things happening at the Mill.

### PTA Halloween Disco & Non-uniform Day

Thank you to all who joined in with the disco and non-uniform day, it was once again a huge success with a total of £521 in profits. The PTA will be using this money for future playground equipment, we are very excited to see their plans!

### Be a Tree – Dog Safety Seminar

This week all of our Mill children took part in a canine safety training. A canine behaviorist from Bone Canis held a presentation about dog handling safety and the body language of dogs. The children have enjoyed the seminar very much and I have noticed that the children are now approaching Cracker with their new knowledge which is a great result!

### Room 13

Room 13 was buzzing this week as they had a mask making extravaganza – lots of children made funky facewear for the Halloween disco.

They also managed to finish their Zine making project and have completed decorating the noticeboard in the main corridor with the results.

After half term Year 5 will be working on a photo montage project and we look forward to trying all sorts of other exciting things with our young artists.

### Aldi Kit for School Stickers

We have now completed our poster of 300 stickers and have sent it off for the competition entry. That means we will receive the free sports kit and we are also in the running for the £20,000 PE funding prize. We are all keeping our fingers crossed tightly. What an amazing effort from our Mill families – Thank you so much for the support!

### Homework Heroes

Last week's homework heroes are from Goldsworthy class in Year 2 and have displayed some excellent research. Reed made a brilliant poster about his favourite historical time – the cretaceous period. Noah has researched the statue of Liberty and created a fantastic poster with interesting facts. Very impressive work, well done to both of you!

Kind Regards

Sophie Gosden  
Headteacher
