Census Day Thursday 16th January!

Dear Mums, Dads and Carers,

Your support is needed!

I am writing to let you know our school spring census day is Thursday 16th Jan. On this day we will need to count the number of children who receive a universal free school meal (all children in Reception, Year 1 and Year 2 are entitled to a free school meal) to determine funding we get for the year.

A way parents and carers could really help the school receive as much funding as possible is by your child having a hot school meal that day. Our fantastic caterers have added an additional pasta dish to the menu for census day to encourage as many children to try a hot school meal as possible. Can we ask all children to try the meal on that day? There is no cost for any child that is in Reception, Year 1 or Year 2.

Can I also remind parents that if you think your child may be entitled to additional funding, to contact the school office in confidence where we can provide you with further information. I appreciate your continued support of our school, any help you can give on Thursday 16th January will be truly appreciated. Any additional funding will help the school and benefit all children at The Mill Primary Academy.

Yours faithfully

Sophie Gosden
