

Dear Mums, Dads and Carers,

Please have a read through our latest news and all the exciting things happening at the Mill.

New Headteacher

Hi, let me introduce myself, I am Toby from year 4. Last term I won the 100% attendance prize so today I became headmaster for the day! I chose a couple of rules for the day including an art club and 20 minutes extra play at 2:30pm. I also made a lovely banana cake for the teachers :) So far today I have run the Forever Proud assembly and the children sang "High Hopes" beautifully. I have also done a learning walk where I have seen all of the school hard at work. In reception they were doing reading and phonics and sounds but one little girl was reading with Mr Nixon, that really stood out to me. Wishing you all a happy weekend!

KS1 Open Morning

Don't forget on Tuesday KS1 children's parents and carers can come in through the office and see your child's work. Hope you can make it.

Millers Café

The Millers Café will be opening again on Friday afternoons. Please come and join us. The menu lists:

Year 2 Topic Work - Science

On Tuesday, Year Two turned their classrooms into science laboratories. The children put on their lab coats and became scientists. They had great fun exploring scientific equipment and were able to identify a range of materials. Great detective work Year Two and well done for being super scientists.

Kind Regards

Toby
