Year 5 Trip to Thomas Bennett Community College

As part of their topic work, the children in Year 5 are creating a leaflet to promote our local secondary school, Thomas Bennett Community College. To gather some information, they had the opportunity to visit the school on Tuesday morning. All of our students took part in an exciting science lesson, had a tour of the school and interviewed some of the staff and pupils to further their research.

Room 13

The children in Room 13 created some fabulous wallpaper this week to hang in our Room 13 corridor. They practiced drawing animals by looking at their shapes and details, working step by step from photographs and videos. The realistic animals look great against a freestyle messy background; the children learned that our eye likes to see differences and this is why neat drawings look great against some chaos!

Sports Games Events at The Mill

Our Year 4 basketball teams played their first league round of matches against two other local schools on Monday. The boys team won both of their games by a large margin and our girls narrowly missed out in both of their games. All the children were fantastic and we look forward to the next round in February.

Homework Heroes

This week's Homework Heroes are Imogen and Elodie from Year 3 Cezanne class. As part of their homework task they have taken on brilliant project. They designed comic books which they plan to sell and then want donate the money raised towards the Crawley Open House Project. What a lovely thing to do, well done girls!
