We will be welcoming three new teachers to our school: Mrs Togher, Miss Jones and Miss Cannadine and a new teaching assistant, Mrs Williams.

We do have some goodbyes to say. Miss Dearle is relocating to London to an exciting curriculum leadership role, Mr Banks became a Dad this year and is moving to a school closer to his home on the coast and also to support an improving school with his excellent practice. Miss Nair is relocating to Essex and has an exciting role in one of the largest primaries in the country! And finally, Mr Smith is leaving his role of teaching assistant in order to return to university to complete his training to become a teacher. We are immensely grateful to them all for the hard work and dedication they have put into their time at The Mill and proud of each of them for their new roles and steps in their careers. We wish them every success.

Yours sincerely,

Sophie Gosden
