Room 13

This week Year 4 enjoyed another day in Room 13. 17 children attended and enjoyed adding to the mural we're creating in the corridor. The children learned about the work of mural artist Rafael Lopez, and saw his plans for the Chicago Community Mural, watching a short video of him talking why he included particular imagery such as the

Phoenix - symbolising new beginnings. Children are enjoying getting the chance to offload some of their worries around the Covid situation, so we are asking teachers to please consider sending children that are more anxious than normal. Next week it's Year 5's turn! We are looking forward to seeing you next week.

Homework Hero

This week's Homework Hero is Chloe from Year 5 van Gogh.

She has absolutely blown us away with her amazing model of the solar system that she spent the whole last weekend making. Well done Chloe!

Wishing you all a relaxing weekend!

Kind Regards

Sophie Gosden
Headteacher

Forever Proud

Despite not being able to get together for school assemblies, we do have virtual assemblies where each class joins in online from their rooms and Miss Plant and myself can speak to everyone from the office. We all miss being together but that doesn't mean we can't celebrate: on Fridays, each class still nominates their 'Forever Proud' award winner that is announced in the online assembly, and then Miss Plant and myself deliver the children their badges. This week's winners from Reception to Year 6 and reasons from their teachers were:
