Celebration Assemblies

Dear Mums, Dads and Carers,

Here are the days and times for your child's celebration assemblies next week. The children will see their friends and their adults. Your teaching teams will put details of the hangout onto your child's google classroom. **The live link will only be added just before the assembly.** The reason we don't send the invites out too far in advance is because these can be logged into unsupervised at any time and we like to ensure there is always at least one member of staff on all of our hangouts for safeguarding. Children in school will be joining too.

Please note: Early Years parents, your team will be getting in touch with you about your hangout time in a separate letter – [here it is](#).
