

Friday 5th March 2021

Dear Mums, Dads and Carers,

We wanted to share with you some of our World Book Day highlights in words and pictures!

◀ EYFS

Reception did a costume catwalk as well as a special year group assembly, where we read books and talked about our costumes.

▼ Year 1

We had a celebration assembly with the home learners and the children in school where we all dressed up as our favourite characters. In school we listened to our favourite author, Julia Donaldson, who read us a story and took part in a draw along with Lydia Monks. The children also made their own books to take home and read to their parents.

▼ Year 2

▼ Year 3

Year 3 loved our virtual world book day! We had so much fun dressing up and so many children put such amazing effort into their costumes.

We loved hearing your amazing poems on our Google hangout! The children in school had lots of fun designing book covers and characters! Thank you all for a fabulous World Book Day!

Year 4

We celebrated World Book Day by dressing up as our favourite characters from books that we love. We joined in with a David Walliams Assembly, reading lots of books such as 'I Am Enough,' by Grace Byers and a copy of 'The Cry of the Icemark' which Mrs Altamirano-Smith personally bound. We had a reading competition to see how many words and pages we could read in half an hour and we also got lost in the library and had to break the code to get out using our maths and grammar knowledge. We had so much fun!

Year 5

Year 5 celebrated World Book Day in a range of different ways from dressing up as their favourite book characters (and authors!) to taking part in a poetry competition, designing their own book covers and enjoying a 'free writing' session where children wrote for a variety of purposes and genres including diaries, letters, news reports, poems and stories! The children all came together for a World Book Day Year 5 hangout too!

► Year 6

On Wednesday, the Year 6 hangout was "Guess the Book Character" from the props which children had made. Children dressed up and took part in all sorts of different book-related activities on the day.

All that remains for me to say is... SEE YOU ALL BRIGHT AND EARLY ON MONDAY! We can't wait to see you all and we would like to thank all of you and your children for your unwavering support, and keeping us smiling. I have never felt more proud of our school community. Here's to a Mill full of children learning and having fun with their friends again!

Kind regards

Sophie Gosden
Headteacher
