This week we started working on the second and final part of our animated series. The children are so articulate, emotionally intelligent and brave throughout the process of recording the voiceover, making beautiful drawings and carefully bringing them to life. Fourteen Year 2 pupils joined us to add their contribution with some beautiful drawings.

## Homework Hero

Our Homework Hero this week is Emir from Hokusai class. Year 3 have been learning about plants and explored the different functions each part of a plant has. Emir then went home and chose to continue his learning even further.

## Forever Proud

Despite not being able to get together for school assemblies, we do have virtual assemblies where each class joins in online from their rooms and Miss Plant and myself can speak to everyone from the office. We all miss being together but that doesn't mean we can't celebrate: on Fridays, each class still nominates their 'Forever Proud' award winner that is announced in the online assembly, and then Miss Plant and myself deliver the children their badges. This week's winners from Reception to Year 6 and reasons from their teachers were:
